Former lawyer **Kat Griffin** helps her readers **dress stylishly yet appropriately** for work. Here's what she's clicking on. "**Smythelesvestes.com**—the label Smythe is a new discovery for me," she says. "I love those blazers. And **aliceandolivia.com** has a zillion cute dresses for the office. For personal style, it's **youlookfab.com** and **alreadypretty.com**. I check out **wsj.com**'s real estate and fantasize about living on my own private island! When I was getting married, I was obsessed with **weddingbee.com**; people were doing amazing DIY projects. I had to wean myself off."

KAT WILL BE GUEST-BLOGGING ON LUCKYMAG.COM FROM JUNE 13 TO 17 AND HOSTING A LIVE CHAT ON LUCKY'S FACEBOOK PAGE ON JUNE 13.
